

Application for Award Dana Garrett Montgomery Memorial Scholarship

This scholarship provides financial support to students in Tennessee currently pursuing a formal education in the field of nursing or public health management. Dana Garrett Montgomery served public health in Tennessee for over 20 years. She was a talented and devoted nurse, a passionate public health advocate, county director and a respected leader. She championed public health, choosing to tackle issues of access to care and creating a safety net of services for our most vulnerable neighbors. Her innovative and community-centered approach created the opportunity for Rutherford County Health Department to partner with healthcare facilities, non-profits, the faith community, and schools that brought programming and care directly to those in the county that need it most. She was a lifetime learner always pursuing opportunities for growth and perfecting her craft. The impact she had on the health of the community will be felt for generations to come.

Eligibility Criteria:

- Currently enrolled in a Tennessee University or College pursuing a degree in nursing or public health administration/management.
- Plans to practice in Tennessee upon graduation.
- Future career goals focus on serving in a public health nursing or managerial capacity.
- Applicants must include 1-3 letters of recommendation.
